

GEORG JORDAN

ISOLATOREN FÜR DIE ELEKTROTECHNIK

REACH statement

In 2007 the European Union Regulation (EC) 1907/2006 concerning the registration, evaluation authorization and restriction of chemicals (REACH) was released.

According to this regulation some duties has been established for companies in the EU, that manufacture or import substances on their own, in preparations or in finished products.

Georg Jordan GmbH in Siegburg is a downstream user according to article 3 no. 13 of the Reach regulation and therefore not obliged to register its products. According to our obligation based on article 33 of the regulation we confirm, that the products we supply to our customers do not contain a substance of the February 4th 2026 SVHC list (substances of very high concern) in a concentration of more than 0,1 % mass.

If in future further information will be necessary, we will meet our duty to supply this information.

February, 2026
